FALLING BRICKS INJURE MISS NELLIE WICKHAM AND FELL HER RESCUER

With Crash That Could Be Heard Several Blocks Large Cornice of Building at Vandeventer and Delmar Avenues Falls—William Haggard, Automobile Demonstrator, Walking Abreast of Young Woman, Hears Ripping Sound and Tries to Shove Her Out of Harm's Way—Both Knocked to Sidewalk, She Sustaining Broken Left Collar Bone and Two Right Ribs, and He Long Scalp Wound and Bruises.

AFTER INSPECTION, SMITH DECLARES STRUCTURE FAULTY.

WILLIAM HAGGARD AND THE HALF BLOCK FROM NO. 519 TO NO. 621 NORTH VANDEVENTER AVENUE.

Where Miss Nellie Wickham, of No. 28 Vandeventer place was injured. Haggard was hurt while attempting to rescue Miss Wickham, who was caught under the falling cornice.

With a crash that could be heard for several blocks the cornice on a building at Vandeventer and Delmar avenues fell yesterday morning, tearing away bricks that injured Miss Nellie Wickham, of No. 28 Vandeventer place, and William Haggard, No. 107 North Vandeventer avenue, who tried to save the young woman from harm. Miss Wickham was the more severely injured and was removed to her home in a carriage.

Edmund F. Wickham, her father, said in the afternoon that his daughter had sustained a broken collar bone and two broken ribs. She is being attended by Doctor Harvey G. Mudd. Haggard was struck on the head by a brick and nine stitches were necessary to sew up a laceration on his scalp. He also had a few bruises on his hands and arms.

The cornice fell at 10:40 o'clock. Miss Wickham was on her way to church and was walking on the right side of Vandeventer avenue. Haggard, who is an automobile demonstrator for the Park Automobile Company, of No. 107 North Vandeventer avenue, was walking along abreast of Miss Wickham in the middle of the block.

Suddenly Haggard heard a noise above him and looking up he saw the cornice falling. He sprang into the air and tried to shove the young woman out of the way. The cornice fell on her and she was caught under it. Haggard was also struck by a brick and was injured.

After the cornice fell, a crowd of people gathered around the scene. A police officer arrived and took charge of the situation. The building was inspected by a city engineer, who declared it faulty.

GOUGHAN SEIZED BY POLITICAL FRENZY

Tammany Leaders Afraid of
Landslide to Hearst in the
Effort to Shake Off Bossism.

JEROME VOTES THREATENED.

Opponents of McClellan May Fail
to "Split" for District Attorney
for Fear of Inval-
idating Ballot.

BY A STAFF CORRESPONDENT.

New York, Nov. 5.—Political hysteria seized New York to-night, and for hours the central portion of the city was filled with parading crowds cheering William R. Hearst, the Municipal Ownership candidate for Mayor, jeering and hissing every Tammany banner and deifying McClellan, Murphy and Tammany Hall. Ives, the Republican nominee, was lost sight of.

While these scenes were in progress two great meetings were being held—one in the Hippodrome by the McClellan Allied Trades League and the other in Madison Square Garden by the Municipal Ownership League.

Smaller meetings were being addressed in various theaters by speakers in behalf of the two leading candidates, who are reading the Democratic and Republican parties in twain.

In point of numbers the meeting for municipal ownership in Madison Square Garden was far the more impressive demonstration. Twenty thousand persons posed the vast amphitheater, while tens of thousands were turned away. At the Hippodrome also thousands could not gain access to the building.

UNPRECEDENTED DEFIANCE OF
TAMMANY SWEET'S CITY.

At Madison Square Garden there was on the part of the Tammany corporation, Hearst, and the most scornful defiance of Tammany that the city has known for many years.

The police looked on and preserved order, but no attempt was made to restrain the turbulent ardor of the vast throngs. The turbulent ardor of the vast throngs through the highways, a scene never before witnessed on Sunday night in Gotham.

All parties continued to predict the election of their candidate. Controller Gough estimated that McClellan would have 20,000 plurality in the city.

This very modest estimate is looked upon with ill-concealed suspicion by Democrats, and by some is interpreted as a confession that Tammany is not so confident of the re-election of Mayor McClellan as its leaders profess to be.

At the Tammany meeting in the Hippodrome tonight there was great enthusiasm for the Mayor. John J. Hearst, assistant counsel, was the principal speaker. He is Mayor McClellan's personal adviser.

OTHER HEARST EIGHTEEN
MINUTES AT MASS MEETING.

At Madison Square Garden there was a consistent clamor for the Mayor. The Tammany speakers, perhaps, the most conspicuous feature, perhaps, the most peculiar, almost paradoxical character of the demonstration.

It was a classical concert and a political mass meeting rolled into one. Twenty thousand persons posed the vast amphitheater, while tens of thousands were turned away. At the Hippodrome also thousands could not gain access to the building.

EIGHT HUNDRED KILLED AND WOUNDED IN RIOTS IN RUSSIAN PROVINCES

Troops Fire Volleys Into Meeting at Minsk, Slaying One Hundred and Shooting Six Hundred Others—Indescribable Horrors Witnessed in Odessa, Kamenchug, Kutas and Berdicheff—Massacre and Pillage of Jews Still Continue.

AMERICAN INTERESTS ASK FOR PROTECTION.

St. Petersburg, Nov. 5.—About 800 persons were killed and wounded in riots to-day.

Fatal encounters between the soldiers and the populace and anti-Jewish excesses are reported from places in the provinces.

At Kamenchug, twenty persons were killed and eighty injured.

At Kutas a military train was wrecked and nine soldiers were killed.

After the collision the revolutionaries opened a rifle fire on the train and the troops replied in kind. There were several killed or injured on both sides.

At Berdicheff several persons were killed or injured.

At Minsk serious rioting arose through the troops preventing a meeting of citizens. The troops fired volleys into the crowds and there was intermittent firing for a long time. A hundred were killed and 600 wounded.

Indescribable horrors are being witnessed every day.

The massacre and pillage of the Jews continue at Kishenev.

The day passed off comparatively quiet here.

At Akkerman many were killed and at Rostoff-on-Don about 100 were killed or wounded. The Cossacks assisted in the pillaging.

A delayed report from Baku, dated November 2, states that an Armenian having fired upon and thrown bombs at a patriotic demonstration, serious encounters and incendiarism followed, several persons being killed.

FOURTEEN KILLED AND MANY WOUNDED AT TIFLIS.

Tiflis, Nov. 5.—Patriotic demonstrations to-day were participated in by 20,000 persons. While a procession was passing along Gdowskii Prospekt, firing began. Bombs were thrown at the troops, who answered with rifle shots. The dead numbered ten and there were many wounded.

In another place a crowd of school pupils with revolutionary flags collided with a loyal demonstration. The troops fired in the air with a view to dispersing the crowds and a general encounter ensued in which four were killed and seven wounded.

REVOLTING BARBARITY DISPLAYED AT ODESSA.

Odessa, Nov. 5.—A tour of the city and part of the suburbs today found a quiet. While rows of shops that were pillaged were being boarded up, the poorer Jewish quarters suffered worst and the principal streets, with few exceptions, were untouched. Russian shops are marked with crosses pointed on the shutters and the private houses with items so as to protect them from the mobs.

PEASANTS ATTEMPTED
TO LOOT ODESSA.

Peasants armed with knives and scythes tried to enter the city Saturday to loot the place, but they were driven back by the soldiers.

The casualties in Saturday's disturbances exceed 140, and those of the preceding three days, which have been verified, number nearly 500. The pillaging continued early this morning in the outlying districts, but today the city was relatively quiet, though the population is still anxious.

The latest accounts of the devastation in the Jewish quarter add horror to the situation. Hundreds of numerous mills, all the bakeries, shops and nearly 60 houses have been destroyed.

The Jews killed in every circumstance were treated with revolting barbarity. Heads were battered with hammers, nails were driven into the bodies, eyes were gouged out and ears severed. Many bodies were disemboweled, and in some cases petroleum was poured over the sick found hiding in cellars, and they were burned to death.

FOUR KILLED AND SOLDIERS
INVITED ATTACKS ON JEWS.

It is alleged that the police and soldiers everywhere marched at the head of mobs, inciting them to destroy the Jews by crying "The Jews have killed our Emperor," and similar expressions. While the mobs were engaged in the slaughter the soldiers were engaged in pillaging the cash and jewels, leaving the household goods to the mobs. The owners of many houses got rid of the hands by the payment of a ransom to the police.

The police prevented anyone from arresting the looters, and preventing, also, the Jews from seeking refuge in the wounded, actually firing upon those engaged in this work.

A band of students removed much of the stolen property to the university, while they also took twelve dead bodies of anti-Jewish demonstrators, whose relatives today beset the university, claiming the corpses and demanding the release of those demonstrators who were confined in the university. They threatened, otherwise, to burn the university and kill the professors. Measures were thereupon taken to transfer these prisoners to the regular prison.

KENTUCKY MILITIA BEATEN IN BATTLE WITH OUTLAW BAND

Two Soldiers Wounded, Two Missing and One Bandit Shot in Desperate Conflict in Mountains.

ASSAULT ON HOUSE REPULSED.

Accidental Discharge of Attacking Party's Gun Arouses Gang Headed by Frank Ball.

FIGHT RAGES THREE HOURS.

Company Retreats to Middleboro—Wires Into Cumberland Gap Are Cut—See and Attack Planned.

REBELS DISPERSED.
Middleboro, Ky., Nov. 5.—The Middleboro company of State Guards, recently organized for the purpose of capturing Frank Ball, the alleged murderer of Jack Bolin, and to preserve order in the community, made an attack this afternoon on the outlaw band, located on a mountain four miles south of here, and for three hours waged a desperate battle.

As the result of the fight, two soldiers are wounded and in the hospital here, two more are missing, and Shelby Ball, a brother of the outlaw, was dangerously wounded and probably is dead by this time.

If any of the other outlaws felt they kept the fact concealed, although two of the returning soldiers claim to have seen several of them fall.

SOLDIERS RETURN FROM
ATTACK IN DISORDER.

The soldiers began to return about 4 o'clock, and three have been drifting in by two and four, firing as they came. Another party is to be organized to-night and will certainly make an attack before dawn.

Great excitement reigns here as the result of the fight. The fact that the soldiers did gain a victory, but were compelled to beat a retreat, has had a dispiriting effect on the citizens, who now, more than ever, anticipate an attack from Ball and his band.

The battle this afternoon began about 3 o'clock and raged fiercely for more than three hours. It was planned by Captain Albrecht and his soldiers to make a flank attack, but before the blow could be delivered there was a misfire in plans that came near costing many soldiers their lives.

ACCIDENTAL DISCHARGE OF
GUN AROUSES THE OUTLAW.

The attack was precipitated by the accidental discharge of a gun. With this report the outlaws came rushing from their cabin and at once took up positions which commanded the only two approaches to the top of the mountain.

Concealing themselves behind trees and boulders, they opened a withering fire on the advancing State Guard, forcing them to also seek the protecting shelter of rocks and gullies.

From these places they kept up the fight for two hours and then being unable to longer stand the fire, retreated slowly down the mountain side.

Captain Albrecht announced to-night that as soon as his men have rested he will head another attack, this time with the entire strength of the company.

He believes that there will be no difficulty in dispersing the band, if not capturing it.

HANDS CUT TELEGRAPH
WIRES BETWEEN GAP.

A dispatch just received from Pineville, this afternoon, says that the home of the outlaws has been burned.

The wires have been cut going into Cumberland Gap, and it is feared the worst here will be dealt with in the same way.

Rich W. Johnson will to-morrow be appointed Sheriff to succeed Sheriff Howard, who resigned yesterday.

THIRTY-EIGHT FAN TAN PLAYERS IN THE DRAG-NET.

Gambling Squad Makes Raid on Game in Progress in Hop Alley.

Detectives Feeney, Padzwick, Bolger and Cunningham of the gambling squad raided a fan tan game in a basement room at No. 14 South Eighth street last night and thirty-eight Chinamen surrendered. They will be arraigned in the First District Police Court this morning on charges of gambling.

It was one of the largest hauls made by the gambling squad. The detectives were outnumbered nine to one, but the Chinamen offered no resistance and the meager capacity of the room, which had only two exits, made escape almost impossible.

A detective guarded each door, while the other two went inside and to the best of their ability informed the fan tan players that they were within the grasp of the law.

Detective Feeney said that the party that followed the first call of the detectives somewhat sounded like chop suey tastes. This was the only way he could describe it.

The score card that the fan tan dealer was using looked like an exaggerated edition of a laundry ticket.

ONE OF THE CAPTORS OF MAXIMILIAN IN ST. LOUIS.

Colonel Carlos Gonzalez of Torreon, Coahuila, sends children to school in Missouri.

Colonel Carlos F. Gonzalez, a veteran of Mexico's republican army, and leader of one of the divisions that participated in the famed capture of Maximilian, the last Emperor of that country, at Queretaro, registered at the Planters Hotel yesterday and will depart for Philadelphia today on a business trip.

He has just returned from Mexico, Mo., where two of his sons are attending school. The Colonel has twelve children and as fast as they become old enough to be away from home, he sends them to United States schools.

Last night he spent an hour with Senator Albinus R. Nunez, former World's Fair Commissioner from Mexico.

COUPLE REMARRIED; BRIDEGROOM IS 70

Eli H. Leffler Again Weds Former
Wife, Who Had Become Mrs.
Hutchins in the Interval.

SECOND COURTSHIP IS SHORT.

Bride Is 56, and Has Married
Daughter at Casey, Ill.—Son
Glad to See the Old
Couple Reunited.

Eli H. LEFFLER.
He is married to his former wife, Mrs. Hutchins.

After a short courtship, Eli H. Leffler, 70, and his former wife, Mrs. Hutchins, 56, were married yesterday at Casey, Ill. The bride is the daughter of Mr. and Mrs. Casey, and the groom is the son of Mr. and Mrs. Leffler. The wedding was a simple affair, and the couple were reunited after a long separation.

According to the son, his father and mother were married in 1882. It is said that they disagreed over the question of where they were to reside and that the mother's pleadings to move into a city were resisted by the father, who entered the milling business in an Indiana town.

The couple proved a failure, however, and, four years ago, Mrs. Leffler sued for and obtained a decree of divorce, charging neglect. She later married again and became Mrs. Nancy Hutchins.

Last month, her daughter was married, becoming Mrs. F. A. Crane. While visiting her at Casey, Mrs. Hutchins met Mrs. Crane's father, her former husband.

The separated couple, after a short second courtship, decided to wed once more. They did not make known their intention, however, and the first intimation that the son received of the wedding was when he got a note from his father, yesterday, informing him of the ceremony.

Eli H. Leffler is but 22 years old, and stated last night that he was glad to see his mother and father reunited.

WIND CAUSES DAMAGE IN VARIOUS SECTIONS.

Costs of Yesterday Cause Minor Injuries to Structures Throughout the City.

In the high wind which blew throughout yesterday, the iron railing around a mansard roof on the two-story brick dwelling at No. 325 Bacon street was blown onto the front porch of the building. The damage amounted to about \$5.

The dwelling is owned and occupied by John Collins. The accident occurred shortly before 1 o'clock.

Shortly before 4 o'clock wind blew the brick chimney of the house at No. 219 Thomas street from the roof against the walls of No. 217 Thomas street. The structures were damaged to the extent of \$5 each. The house which lost its chimney is occupied by Samuel Withers.

Storm De-molishes Warehouse.
During the storm Saturday night, the one-story N. building, 200 Chouteau avenue, owned and formerly occupied by the Aetna Iron Works, was blown down. It was recently vacated by the iron company, and since then had been used as a warehouse.
